

COOKIE NOTICE

This Cookie Notice (“Cookie Notice”) sets forth BioMarin’s usage of cookies and tracking technologies on our websites and online services (“Services”) that we operate. We may use cookies and similar technologies (collectively “cookies”) to automatically collect your personal information necessary for our Services to function or for a variety of purposes that enhance your online experience, for example, by remembering your log-in status and viewing preferences from a previous use of our Services, for when you later return to the Services.

You can set your devices to accept all cookies, to notify you when a cookie is issued, or not to receive cookies at any time. You accept the usage of some or all categories of cookies on our Services by selecting the “Accept” button, or by adjusting the settings, in the cookie banner pop-up or via the “Cookie Preferences” link on the bottom of BioMarin website pages.

WHAT ARE COOKIES?

A cookie is a small text file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server. Cookies are used to enable web pages to function more efficiently as well as providing information to the web page owner. Cookies also make it possible to distinguish users from each other, which can give the user a more positive experience of the website.

The term cookie is the most used, but “cookies” describe a range of technologies, such as;

- Pixel tags,
- Mobile device identifiers,
- Web beacons, and
- Web storage used in desktop software or mobile devices.

There are a few different categories of cookies, including:

Session and persistent cookies

- **Session cookies** – these are cookies which expire once you close your web browser, and
- **Persistent cookies** – these are cookies which stay on your device for a set period of time or until you delete them.

First and third-party cookies

- **First-party cookies** – these are cookies set by the website that you are visiting at the time, either by us, or by a third party at our request,
- **Third-party cookies** – these are cookies that are set by a party other than that of the website you are visiting. If you visit Securitas website or use Securitas services and another party sets a cookie through that website this would be a third-party cookie.

First party cookies are used and controlled by us to provide services for and improve the Services. Third-party cookies are controlled by third parties, mostly for the purpose of advertising and analytics.

We may allow third parties to place and read their own cookies, web beacons, local shared objects, and similar technologies to collect information through our Services. For example, our third-party service providers may use these technologies to collect information that help us with traffic measurement, research, and analytics. Local shared objects (sometimes referred to as “Flash cookies”) are similar to standard cookies except that they can be larger and are downloaded to a computer or mobile device by the Adobe Flash media player. Please note that you

may need to take additional steps beyond changing your browser settings to refuse or disable local shared objects and similar technologies.

GOOGLE ANALYTICS

BioMarin uses Google Analytics, a web analytics service provided by Google, Inc. Google Analytics sets a cookie on your computer in order to evaluate your use of the website and compile reports for us on activity on the website.

Google stores the information collected by the cookie on servers located in the United States. Note that some countries such as the United States may not have the same level of data protection regulation or safeguards as the country in which you live. For example, US-based governmental and intelligence agencies may access the personal data being transferred. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. *By selecting the "Accept All" button on the cookie banner or by adjusting your settings in the Cookie Preferences link, you are affirmatively consenting to the processing and transfer of data about you by BioMarin when utilizing Google Analytics in the manner and for the purposes set out in this Cookie Notice.* Google's privacy policy is available at: www.google.com/privacypolicy.html

MANAGING YOUR COOKIES

If you choose to refuse, disable, or delete these technologies, some of the functionality of the Services may no longer be available to you. Some of these companies may combine information they collect from our Services with other information they have independently collected relating to your web browser's activities across their network of websites. These companies collect and use this information under their own privacy policies and are responsible for their practices concerning personal data. You can directly exercise your data subject rights with them. For example, local shared objects can be controlled through the instructions on Adobe's Setting Manager page. To remove other cookies from your PC, you can use these guides:

- Internet Explorer: <https://support.microsoft.com/en-us/kb/278835#/en-us/kb/278835>
- Chrome: <https://support.google.com/chrome/answer/95647?hl=en>
- Safari: https://support.apple.com/kb/PH17191?locale=en_GB
- Firefox: <https://support.mozilla.org/en-US/kb/delete-cookies-remove-info-websites-stored>

You can decide if and how your computer will accept a cookie by configuring your preferences or options in your browser. However, if you choose to reject cookies, you may not be able to use certain online products, services or features on the Services.

RESPONSE TO "DO NOT TRACK" SIGNALS

Some Internet browsers include the ability to transmit "Do Not Track" signals. Since uniform standards for "Do Not Track" signals have not yet been adopted, BioMarin does not process or respond to "Do Not Track" signals

POLICY UPDATES

This Cookie Notice may be revised from time to time as we add new features and services, as laws change, and as industry privacy and security best practices evolve. We display an effective date on the policy in the upper corner of this Cookie Notice so that it will be easier for you to know when there has been a change. If we make any material change to this Cookie Notice regarding use of personal information, we will provide advance notice through the Services. Small changes or changes that do not significantly affect individual privacy interests may be made at any time and without prior notice.

CONTACT INFORMATION

If you feel your data protection rights have been infringed by BioMarin, you have the right to complain to your local data protection supervisory authority. The lead supervisory authority for BioMarin in Europe is the Data Protection Commission (see www.dataprotection.ie).

If you have any questions about this Cookie Notice, you may contact us using the form found [here](#) or write to us at the following:

LIST OF COOKIES

Domain/Publisher	addthis.com
Cookie Name	__atuvc, __atuvs, bt2, di2, loc, na_id, oid, uid, um, uvc, vc
Purpose	These cookies are associated with the AddThis.com, a social sharing widget which is commonly embedded in websites to enable visitors to share content with a range of networking and sharing platforms. These cookies are set by AddThis.com and are used to collect various usage information including personally identifiable and non-identifiable information. See the AddThis privacy policy at http://www.addthis.com/privacy/privacy-policy#publisher-visitors .
Category	Marketing
Domain/Publisher	Adobe.com
Cookie Name	demdex
Purpose	This cookie is associated with the Adobe.com Audience Manager. The demdex cookie helps Audience Manger perform basic functions such as visitor identification, ID synchronization, segmentation, modeling, reporting, etc. See the Adobe Audience Manager cookie description at https://experienceleague.adobe.com/docs/core-services/interface/ec-cookies/cookies-am.html?lang=en#ec-cookies
Category	Marketing
Domain/Publisher	Affectv
Cookie Name	ck, oo, pt

Purpose Affectv provides technology services to advertisers that enable them to serve relevant online advertising to consumers who are browsing the World Wide Web. For more information, please see the Affectv Cookie Policy at <https://hybridtheory.com/privacy-policy/>

Category Advertising

Domain/Publisher blukai.com

Cookie Name bkdc, bkpa, bku

Purpose BlueKai works with websites to aggregate anonymous activities and provide more targeted online advertising. For more information, please see Oracle BlueKai Privacy Policy at <https://www.oracle.com/legal/privacy/bluekai-privacy-policy.html>

Category Advertising

Domain/Publisher eyeota.net

Cookie Name mako_uid

Purpose This domain is owned by Eyeota, a global company specializing in audience data to enable targeting of advertising based on visitor profiling.

Category Advertising

Domain/Publisher Facebook

Cookie Name _fbp, _js_datr, _js_reg_ext_ref, _js_reg_fb_gate, datr, fr

Purpose "_fbp" is used to distinguish and keep track of your unique users. The purpose of the datr cookie is to identify the web browser being used to connect to Facebook independent of the logged in user. The service is the company, organisation or third-party behind this data. These cookies are set by Facebook so that users can log into via Facebook account. For more information, please see the Facebook Cookie Policy at <https://www.facebook.com/policies/cookies>

Category Advertising

Domain/Publisher Google

Cookie Name _gads, DSID, SS_MID, NID, IDE

Purpose This cookie is used to target advertising for users and publishers. DSID are used to link your activity across devices if you've previously signed in to your Google Account on another device. Identifies unique visitors and tracks a visitor's sessions on a site. The NID cookie contains a unique ID Google uses to remember your preferences and other information. For more information, please see the Google Cookie Policy at <https://policies.google.com/technologies/cookies?hl=en-US>

Category Advertising

Domain/Publisher Google Analytics

Cookie Name `_ga, _gat, _gid, __utma, __utmv, __utmz`

Purpose These cookies are used to figure out the correct cookie in case multiple cookies are setup in different paths or domains, to throttle request rate, to store information of how visitors use a website and helps in creating an analytics report of how the website is doing and typically written to the browser upon the first visit to your site from that web browser. The `__utmv` cookie passes the information provided via the `_setVar()` method, which you use to create a custom user segment. `__utmz` keeps track of where the visitor came from, what search engine you used, what link you clicked on, what keyword you used, and where they were in the world when you accessed a website. These cookies are either installed by Google Analytics or are third party cookies that are placed on your device to allow us to use the Google Analytics service. For more information, please see the Google Cookie Policy at <https://policies.google.com/technologies/cookies?hl=en-US>

Category Analytics

Domain/Publisher LinkedIn

Cookie Name `Bcookie, BizID, bscookie, Conversion, JSESSIONID, lang, lidc, UserMatchHistory`

Purpose The BizID cookie memorises a single LinkedIn user ID. These cookies are a small bit of text that accompanies requests and pages as they go between the Web server and browser. JSESSIONID is a cookie in J2EE web application which is used in session tracking. Other cookies are used to set default locale/language. The service is the company, organisation or third-party behind this data. For more information, please see the LinkedIn Cookie Policy at <https://www.linkedin.com/legal/cookie-policy>.

Category Advertising

Domain/Publisher Lotame

Cookie Name `_cc_aud, _cc_cc, _cc_dc, _cc_id`

Purpose This is a third-party cookie used to identify LinkedIn Members of LinkedIn for advertising and analytics. For more information, please see the Lotame Policy at <https://www.lotame.com/about-lotame/privacy/>.

Category Marketing

Domain/Publisher MediaMath

Cookie Name `mt_misc, uuid`

Purpose This is a third-party cookie used to identify LinkedIn Members of LinkedIn for advertising and analytics. For more information, please see the Lotame Policy at <https://www.lotame.com/about-lotame/privacy/>.

Category Advertising

Domain/Publisher CloudFlare,Inc. (rlcdn.com)

Cookie Name Pxrc, rlas3

Purpose This cookie is used to deliver adverts more relevant to you and your interests. It is also used to limit the number of times you see an advertisement as well as help measure the effectiveness of the advertising campaign. For more information, please see the CloudFlare, Inc. Cookie Policy at https://www.cloudflare.com/cookie-policy/?utm_referrer=https://www.cloudflare.com/.

Category Advertising

Domain/Publisher ShareThis

Cookie Name __stid, __stidv

Purpose Stores and tracks audience reach. For more information, please see <https://sharethis.com/privacy/>

Category Marketing

Domain/Publisher Tapad

Cookie Name TapAd_3WAY_SYNCS, TapAd_DID, TapAd_TS

Purpose This cookie carries out information about how the end user uses the website and any advertising that the end user may have seen before visiting the said website. For more information, please see <https://www.tapad.com/privacy>

Category Advertising

Domain/Publisher The Trade Desk

Cookie Name TDCPM, TDID

Purpose Targeting or Advertising Cookies. Registers a unique ID that identifies a returning user's device. This domain is owned by TheTradeDesk. The main business activity is: Ad Serving Platform. This cookie carries out information about how the end user uses the website and any advertising that the end user may have seen before visiting the said website. For more information, please see <https://www.thetradedesk.com/us/website-privacy-policy>

Category Advertising

Domain/Publisher	Twitter
Cookie Name	Conversion, personalization_id
Purpose	These cookies are a small bit of text that accompanies requests and pages as they go between the Web server and browser. This domain is owned by Twitter. The main business activity is: Social Networking Services. Where twitter acts as a third party host, it collects data through a range of plug-ins and integrations, that is primarily used for tracking and targeting. For more information, please see the Twitter Cookie Policy at https://help.twitter.com/en/rules-and-policies/twitter-cookies .
Category	Advertising
Domain/Publisher	YouTube
Cookie Name	GPS, PREF, VISITOR_INFO1_LIVE, YSC
Purpose	The GPS Cookie on Kickstarter logs your GPS data as you go about your business and makes it available for upload and analysis later. This cookie, which may be set by Google or Doubleclick, may be used by advertising partners to build a profile of interests to show relevant ads on other sites. It works by uniquely identifying your browser and device. VISITOR_INFO1_LIVE: a cookie that YouTube sets that measures your bandwidth to determine whether you get the new player interface or the old. YouTube is used by the Website to store and show video content. For more information, please see the Google Cookie Policy at https://policies.google.com/technologies/cookies?hl=en&utm_source=ucb .
Category	Marketing
Domain/Publisher	Zeotap
Cookie Name	ZC
Purpose	Cookie used for advertising purposes. For more information, please visit https://zeotap.com/website-privacy-policy
Category	Advertising
Domain/Publisher	.vimeo.com
Cookie Name	__cf_bm
Purpose	This cookie, set by Cloudflare, is used to support Cloudflare Bot Management.
Category	Marketing
Domain/Publisher	.vimeo.com
Cookie Name	vuid

Purpose	Vimeo installs this cookie to collect tracking information by setting a unique ID to embed videos to the website.
Category	Marketing
Domain/Publisher	.vimeo.com
Cookie Name	player
Purpose	Vimeo uses this cookie to save the user's preferences when playing embedded videos from Vimeo.
Category	Marketing
Domain/Publisher	.vimeo.com
Cookie Name	aka_debug
Purpose	Vimeo sets this cookie which is essential for the website to play video functionality.
Category	Marketing
Domain/Publisher	player.vimeo.com
Cookie Name	sync_active
Purpose	This cookie is set by Vimeo and contains data on the visitor's video-content preferences, so that the website remembers parameters such as preferred volume or video quality.
Category	Marketing
Domain/Publisher	WPML WordPress
Cookie Name	_icl_current_language
Purpose	This cookie is stored by WPML WordPress plugin. The purpose of the cookie is to store the current language.
Category	Functional
Domain/Publisher	OneTrust
Cookie Name	OptanonConsent
Purpose	OneTrust sets this cookie to store details about the site's cookie category and check whether visitors have given or withdrawn consent from the use of each category.
